

SUNWAY COLLEGE'S *2nd anniversary*

Happy Birthday U!

College staff celebrated their 2nd year at the Bandar Sunway Campus with food and presents galore in January.

Cutting the rich chocolatey anniversary cake, Executive Director, Michael Yeoh said, "We have every reason to celebrate, as we ponder upon the achievements and developments that the College has attained."

Is anyone listening to Rex's speech?

Now we know why Hussaini is always at the College!

Rex Sharman : "Move the knife over here Michael, so I can have the larger piece to myself."

College staff in unison : "Satay anyone?"
