drinking competition – sorry no alcohol allowed here

## Sunway 3+0 VicUni Orientation Nite

Spectacular! About 400 students, all dressed-up to look their best for the night, thronged the entrance of the ballroom early, yet not wanting to sit at their respective places!

The July '99 Intake Orientation Nite on 6 August kicked-off with speeches from Ms Lim Tiew Ming, Australian University Programme Director; Ms Elizabeth Lee, Principal; followed by Puan Sri Susan Cheah, President of VicUni Malaysian Alumni Association and then promptly proceeded on to dinner.

To keep up with the night's theme, 'Millennium Groove', students were all geared up to enjoy themselves and to get to know their peers, seniors and lectures better. As Mrs Lim said in her speech, "On this special night, we are all gathered together as one big family, there are no barriers or discrimination such as gender, status, race or religion". On that same note, Mrs Lim also reminded students to strive and work hard for themselves and to uphold Sunway-VicUni's prestigious name.

The organising committee did well in entertaining and keeping the guests 'alive' with their good line-up of fashion show, singing, dances, skit, wacky awards (real wacky!) and coke drinking competition.

Students who were involved in organising this event said that they have learnt leadership skills, teamwork, co-operation, patience, tolerance and understanding of many important values in the process.

One last quote from Mrs Lim's speech, "Live a la vida loca's life tonight".
