# 42KL February Open Day

**Our next Open Day in March is a virtual one!**

We had another full house Open Day! Thank you everyone who shared it out.

We're close to filling up our March Piscine and the Open Days have been helping us a great deal in achieving our goal.

As we have been getting many requests to have a virtual Open Day, we have decided to host one themed "Discover 42KL: Unlocking your digital skills." It will be happening on the 7th of March at 9PM via Facebook Live. It is our final push for last Piscine for the quarter.

Share this event with your family and friends!

Register here:

# 42KL x PPG Learn & Earn

We are in collaboration with PPG Group, a global leader in paints, coatings and materials to launch an initiative called Learn & Earn.

Under this collaboration, cadets of 42KL will have the opportunity to work with PPG while pursuing their programme at 42KL.

This initiative offers cadets a chance to apply their knowledge and skills in a real-world setting, gaining valuable work experience while earning income.

Beyond the launch, we got to hear some amazing industry insights from the key management team of PPG - Arjan Post, Global IT Director in Infrastructure Services and John O'Rourke, Global IT Director in Security & Compliance.

# 42KL February Piscine

Our February Piscine started with a strong pool of 105 individuals with different backgrounds and coding experience.

We kicked off our Piscine on the 6th of February and now we're on the last week of the Piscine.

As with all Piscines, we hosted our traditional events of town halls, game sessions and cadet-sharing sessions.

Over the past few weeks, our Pisciners have fought hard to complete their projects, survive the weekly exams, and ultimately learning how to learn!

Stay tuned to our social media pages (Facebook & Instagram) to read more about the Piscine experience from the Pisciners themselves!

We can't wait to welcome our next Piscine on the 20th of March.

# 42KL Save the Date!

The poster features a dark background with a large, stylized blue and teal circular graphic on the right. In the bottom left corner, there is a colorful, multi-colored triangular graphic composed of parallel lines. The text is arranged in a clean, modern layout.
