Announcing 42Malaysia

We've got HUGE news for you!

We mark a new milestone with Khazanah Nasional Berhad (Khazanah) in establishing a joint initiative called "42Malaysia" under Khazanah's Dana Impak initiative.

Under this partnership, we are accelerating our commitment to developing **10,000 skilled tech talents in the next decade.**

In our efforts to achieve this goal, we are in the works of expanding our footprint to other states in Malaysia such as Penang, Iskandar, and Kuching. This will provide greater accessibility and opportunities to discover more potential tech talents in other regions.

42KL at the Youth Empowerment Fair

At the **Youth Empowerment Fair** alongside Khazanah Nasional Berhad, we had the incredible opportunity to speak with influential figures such as DYTMM Tengku Amir Shah ibni Sultan Sharafudin Shah Alhaj, Raja Muda Selangor and YAB Dato Seri' Anwar Ibrahim, Prime Minister.

We discussed how 42Malaysia can lead the way in developing a robust community of highly skilled digital talents to shape the future of our nation. It was an inspiring experience, and we're excited to see where this conversation will take us!

42KL welcomes MDEC

We welcomed **Malaysia Digital Economy Corporation (MDEC)**'s Chief Executive Officer, Mahadhir Aziz and his team to our campus! MDEC has provided invaluable support to drive our initiatives forward.

In our meeting, we discussed the possible avenues we could collaborate on to spur this nation-building agenda. We believe it is important to leverage the strength of both private and public sector to create innovative and impactful solutions that drive our country's digital ambition.

42KL Piscine #11

Back to back Piscine! It's been a rollercoaster ride for us. We have over 70 individuals that is taking part in the March Piscine. It is always a joy to see fresh faces and new connections. Ultimately, witnessing their progress is the most rewarding thing for us!
