42KL 2022 Piscines

Whether it is assisting with evaluations, motivating the Pisciners, or sharing about their past experience, our cadets have been key players in enriching the 42KL community.

During a recent Cadet Sharing Session we have hosted, not only our Pisciners had gained more insight about the Core Programme, but our cadets were also given a platform to enhance their communication skills.

Cadets **Tony, Jaclyn and Phoebe** (from left) sharing with current Pisciners about their previous 26-day experience.

FutureX Speak Session with Peter Yong (Mr Money TV)

During the April 2022 Piscine, we had the pleasure of inviting Peter a.k.a Mr Money as a guest speaker in our FutureX Speak Session with our Pisciners and Cadets.

Peter had shared about his inspiring journey through a career switch, as well as the challenges he had faced upon deciding to get out of his comfort zone and to pursue his passion.

As the founder of MMTV, Peter also highlighted the importance of coding literacy in today's digital world, and encouraged our Pisciners to never stop learning.
