Dear Anchor Partners,

There's only one more month to go before we wrap up the year 2021!

It had been a great pleasure to welcome many of you to finally visit our 42KL campus here at Sunway FutureX. We hope that you have enjoyed yourselves here, and now have a better understanding about the life of a Cadet at 42KL. We will be sharing the photos taken during your visit on our LinkedIn profile soon!

We would also like to share something exciting that will be landing real soon here at 42KL. More will be shared in this deck.

Lastly, as per our email, we have prepared a 2022/2023 Piscine Booklet and we appreciate your help to share them out to your networks and community! You may follow the guide provided, and feel free to reach out if you have any queries.

Thank you!

November 2021 Updates

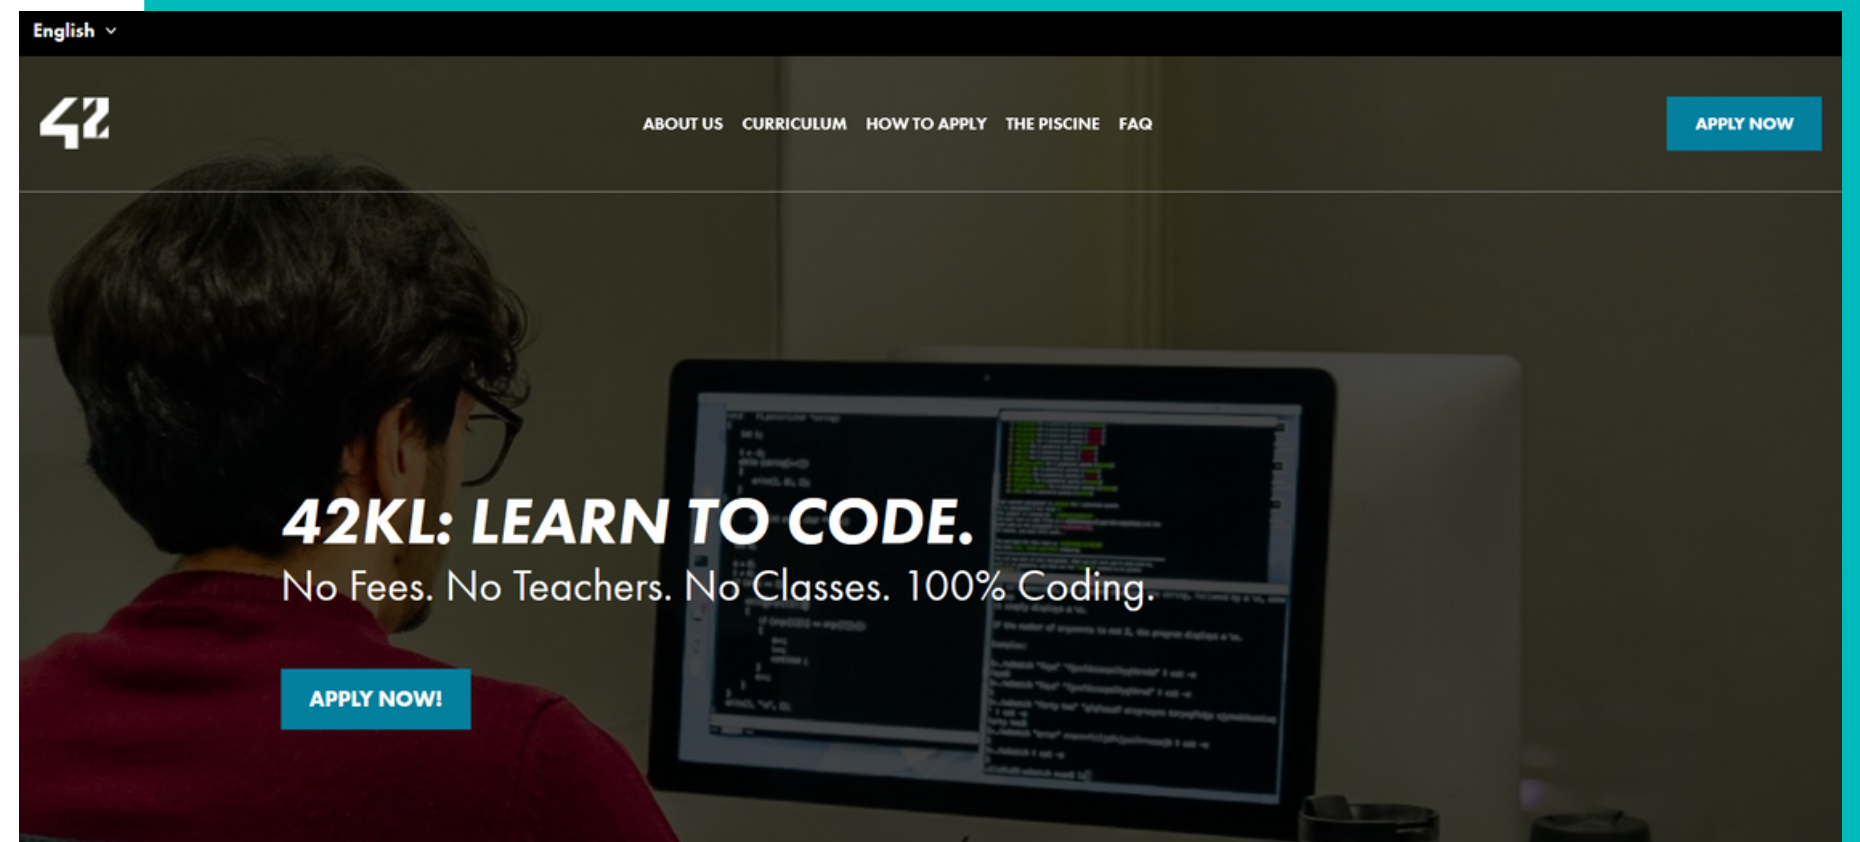

New 42KL Website - Landing Soon!

In the past months, a few of our Cadets have been working together to revamp our website. This was something that they had been thinking of doing ever since the start of the very first Piscine, and it is wonderful to see their vision slowly coming true.

Our Cadets have been heavily involved in the making of our new website, as having first-hand experience as users/visitors, these Cadets are able to pinpoint areas for improvement, and create a website with an enhanced interface and user experience. Instead of having us staff introduce 42KL (we didn't even join any Piscines!), why not let our Cadets who are now in the 42KL journey, do it?

So here's a sneak peek of our brand-new website that will be landing real soon. Stay tuned!

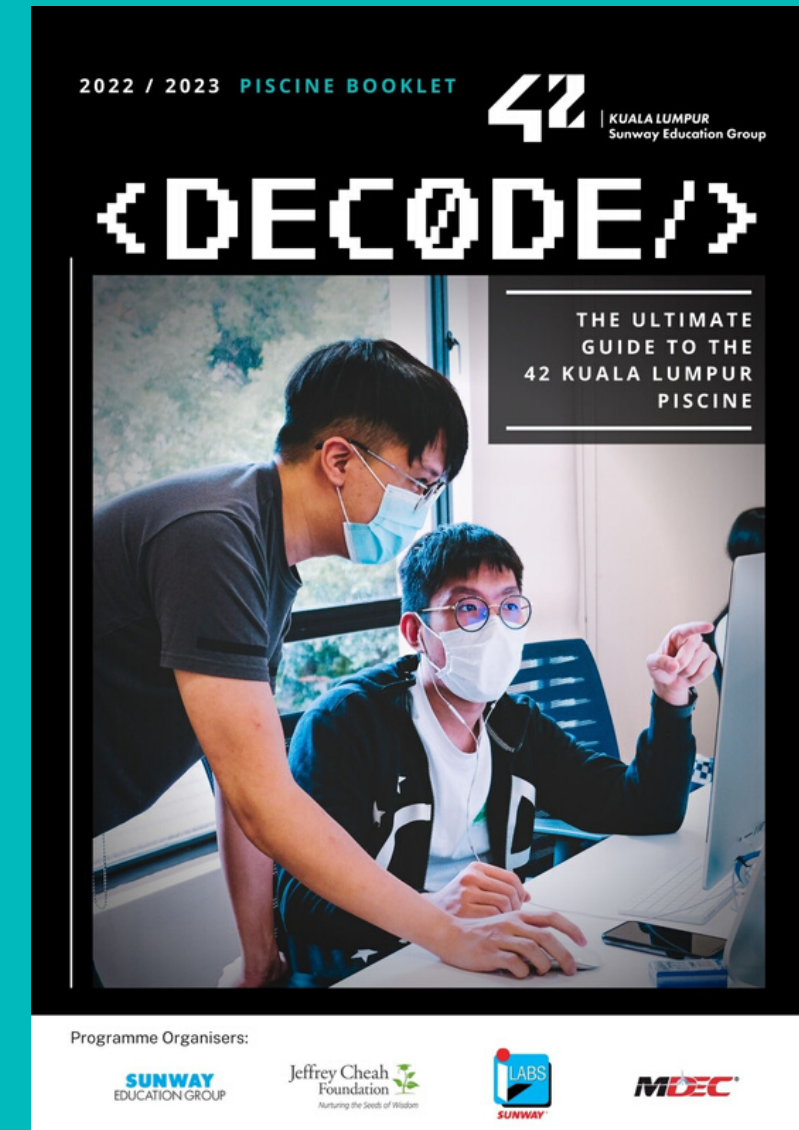

42KL 2022/2023 Piscine Booklet

We can't wait for more Piscine intakes next year, and have prepared a **2022/2023 Piscine Booklet** for prospective 42KL joiners!

This booklet gives an introduction to 42KL and our peer-to-peer learning concept, with a strong focus on the Piscine. It explains how one will be learning using the 42 way, and how the general Piscine experience would be like. To showcase the impact of the Piscine, we also included some real reflections and feedback provided by our Cadets and past Pisciners. Of course, the booklet also serve as a guide on how to apply to 42KL and when our 2022 Piscines will be held.

We would appreciate your help to disseminate our 42KL Piscine Booklet to your network and communities. Kindly refer to our email for more details on how you can help us spread the word about 42KL. You may also relay this to your PR and Communications team to help us share out the booklet.

42KL 2022 Piscine Dates

FEB	<i>7TH FEB - 4TH MAR</i>
MAR	<i>14TH MAR - 8TH APR</i>
MAY	<i>23RD MAY - 17TH JUNE</i>
JUN	<i>27TH JUNE - 22ND JULY</i>

We are preparing to conduct 4 Piscines in 2022, with the first one to start on the 7th of February 2022.

These Piscines will be held physically at our 42KL campus, with a certain amount of flexibility for a hybrid mode (i.e. Pisciners can work on their codes virtually on weekends).

Our next Introduction Session for the Piscine will be carried out virtually on the 15 of December 2021, with another to be held in January 2022. This is an important session in which attendees will be able to gain a better understanding about the Piscine, as well as ask us any questions.

We can't wait to welcome fresh Pisciners to the pool for an unforgettable journey of a lifetime!
