I am delighted to witness the graduation of students who have successfully completed their studies at our College. When Sunway College Ipoh was established in 2004, it was with the vision that Sunway College Ipoh would offer quality programmes that students could pursue without having to move inter-state.

I am truly gratified to see Sunway College Ipoh flourish as a premier institution that continues to produce many graduates at each graduation.

I know the lecturers of Sunway College Ipoh have witnessed your hard work and your progress over your course of studies. We are all privileged and proud to have been a part of your development and to have the chance to know you.

Each one of you is talented in your own way and has the potential to go on and be an asset to the community and country.

The knowledge and have gained will equip you to take on the challenges in life but I hope you have learnt to appreciate others, even though we may all be different, to value teamwork and most of all the friendships you have fostered over the years in Sunway College Ipoh.

I congratulate and commend all our graduates today. You stand tall and proud in the midst of your achievements. Do continue to work hard to achieve more, grow in knowledge and develop your capabilities. All the best in your future endeavours and do keep in touch with your alma mater, Sunway College Ipoh.

On this note, I wish all of you a fruitful day on this momentous occasion. Good luck and God bless.

After all the sleepless nights and hard work, it is time for you to celebrate!

Celebrate not only your achievements but the time you have committed to the pursuit of knowledge and wisdom. Celebrate with your family, lecturers and friends who have supported you this far, and who will, I am sure, continue to do so for a long while more.

As you go forth in life, whether it is to pursue further education or embark on your career, do not forget the people who made the journey worth it. Most important of all, do not lose yourself in your pursuit of success.

At Sunway, we hope to have instilled in you good values and hope that your time at Sunway College Ipoh has been as an amazing journey for you as it has been for us.

We hope to have met or better yet exceeded your expectations as we continue in our endeavour to provide holistic quality higher education to our students.

Today as you celebrate, do bear in mind that you are also standing at a crossroad. Whatever path you choose from here on, in continuing your studies or embarking on a career, or even starting your own business, I trust you will pursue it wholeheartedly and put in your very best.

Brazilian footballer Pele, considered by many to be the greatest soccer player of all time, has this to say, "Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."

I wish you all the best!

**Professor Dato' Elizabeth Lee**

We are proud of you!
