

# SCHOLARSHIP FOR STUDENT

*S*unway College student Tan Lien Seng, 19, became the first Malaysian to win the Leicester University Engineer's Association for achieving the best overall performances in the first year of the university's Bachelor of Engineering honours degree course. Lien Seng outperformed 106 other students, including 81 from Leicester University. He and 25 others students from Sunway College sat for exactly the same examination papers as the undergraduates at Leicester University.

His prize – a certificate and a cheque – was presented to him by Leicester University Vice-Chancellor Dr Kenneth Edwards on Thursday. Lien Seng will leave for Britain in September to continue his course.
