

Congratulations

DATUK MUSA!

Datuk Musa Hitam, the former Deputy Prime Minister and Malaysia's special envoy to the United Nations, was recently appointed Chairman of Sunway College's board of directors and its academic board.

The appointment of Datuk Musa was a right choice considering that he has vast experience and indepth knowledge in education; he will therefore be able to contribute to the growth of Sunway College. He was formerly the Minister of Education before being appointed Deputy Prime Minister in 1981.
