Our guests taking a break at the Sunway Lagoon Club.

On 30th March, a get-together buffet lunch was organised by the SungeiWay Group to appreciate the efficiency of PJ Traffic Police in manning traffic at the various intersections within Bandar Sunway.

The Group acknowledged the effort of these policemen whom, as Dato' Seri Dr Jeffrey Cheah said, "Tried their level best in lessening traffic congestion, be it rain or shine."

Dato' Seri Dr Jeffrey Cheah, accompanied by Datin Seri Susan and various senior managers of the Group,

extended a warm welcome to Tuan Carleel, OC of PJ Traffic Police, and about 120 of his colleagues who drifted in after their various shifts ended.

For a change, from the hustle bustle of the traffic situation out there, they sit back and crooned their favourite songs at the Karaoke session. They also joined us in our birthday celebration for Dato' Seri whose birthday fell on the same day.

In his welcome address, Dato' Seri has pledged to host the PJ Police Force's annual Family Day at the Sunway Lagoon Theme Park.

Green Lung Project at KLCC

SungeiWay is embarking on a project that is hailed to be the "Green Lung" of Kuala Lumpur. The project is undertaken by a consortium which consist of Sunway City Berhad, Sunway Nursery & Landscaping Sdn Bhd and Dekon Sdn Bhd.

The 50 acre park and garden costing RM60 million at the Kuala Lumpur City Centre (KLCC) site will be a masterpiece in tropical landscaping, complete with several species of rainforest trees, soothing greenery, fountains, patterned footpath, sculptures and murals. Once finished, it will be the pride of Kuala Lumpur.

The agreement was signed at KLCC Office by Mr Ngian Siew Siong, Executive Director of Sunway City Bhd, Dr Yap Son Keong, Assistant General Manager of Sunway Nursery and Landscaping and

Encik Abdul Rahim, Executive Director of Dekon. KLCC was represented by Haji Abdul Rahim Naim.

The park will be at the centre of the KLCC development surrounded by hi-tech and modern buildings and structures. This will be a haven for office workers in KL as well as members of the public.

SUNGEIWAY GROUP'S HUMANITARIAN APPEAL *for* BOSNIA & HERZEGOVINA

For two hours during the morning of Friday, February 16, the key corporate players in town and senior government officials have experienced a very touching moment together, during the launch of the ***Global Humanitarian Appeal for Bosnia and Herzegovina***.

The solemn event was launched by none other than our Honourable Prime Minister, YAB Dato Seri Dr Mahathir bin Mohamad, who has always championed the collection of effort and strength to reconstruct the war-torn Bosnia-Herzegovina. Apart from the exhibition of enlarged pictorials, depicting brutal, mass destruction and killings in Bosnia-Herzegovina, the Main Auditorium of Memorial Tunku Abdul Rahman at Jalan Dato' Onn, on that morning was choked with silent memories.

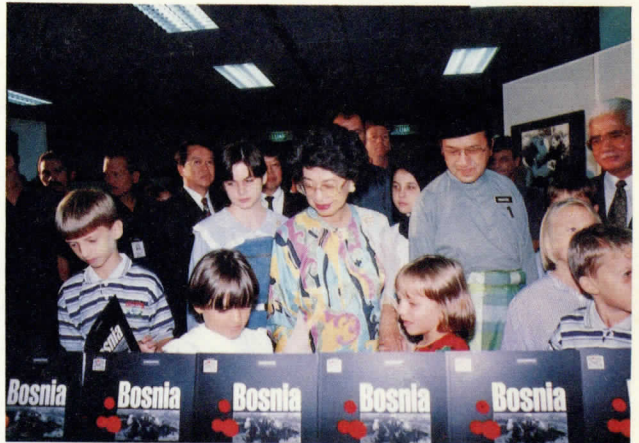

The event was jointly sponsored by LimKokWing Integrated and the SungeiWay Group and supported by the Ministry of Foreign Affairs. The objective of the appeal was to create awareness and rally for worldwide support in the rehabilitation of a country that has been brutalised and ravaged. Although diplomatic peace effort was finally reached in December 1995, the surviving civilians who have to carry on with the haunting echo of pain, need basic amenities such as food and medicine to rebuild their lives.

This event was organised with the hope that we could achieve more than that. The programme introduced the crippled country with the screening of a video that has captured some of the many tragic scenes of human sufferings and aftermath of the war. The filmlet was indeed beyond words, beyond tears.

Following on was an appeal made by YAB Dato Seri Dr Mahathir, via Internet, as it was the most appropriate medium to reach the world. The

delegates and the public at large were given directive information to which they could make their contributions of various kinds.

Finally, a tour of the exhibition by the Prime Minister, accompanied by some luckier Bosnian children ended the 2-hour event.

SUNGEI WAY MARKETING BECOMES OFFICIAL DISTRIBUTOR OF UAC PRODUCTS

End of last year, Sungei Way Marketing Sdn Bhd entered into a distributorship agreement with UAC Bhd whereby Sungei Way Marketing became an official distributor for UAC's building products. This marked another milestone in Sungei Way Marketing's objective of becoming a fully integrated building materials distributor in Malaysia. Present at the signing ceremony was the Managing Director of UAC Bhd, Mr Li Heng Tiong and the General Manager of Sungei Way Marketing, Mr Wong Fook Chai.

A market leader in the fibre cement product industry, UAC Bhd produces a wide range of products for applications in roofing, ceiling, eaves lining, wall partitioning, housing panels etc. In fact, it was the first company in Malaysia as well as Asia to produce asbestos-free fibre cement building products.

Demand for fibre cement roofing, ceiling and cladding products will remain buoyant

due to government initiatives to build more low-cost and low-medium cost houses, especially under the forthcoming Seventh Malaysian Plan.

Sungei Way Marketing will now have the means to better tap into this segment of the building materials market especially with the company continuously expanding its area of coverage by increasing their number of branches and warehouses.

Presently, Sungei Way Marketing has branches and warehouses in Penang Island, Butterworth, Ipoh, Segambut, Bandar Sunway, Malacca, Muar, Kluang, Johor Bahru, Kuantan, Temerloh, Kota Kinabalu and Bintulu.

With Sungei Way Marketing's extensive network of branches and warehouses coupled with UAC's products, we are looking forward to a long mutually beneficial relationship between the two parties.

SPECIAL GUESTS DINNER

"Make sure my lucky number is picked!"

Kumar (in the saree) and his gang!

It's none other than Leonard Tan behind the Elvis look!

As the name suggests, it was an evening specially planned, in appreciation of our business associates who had been very supportive of the Kelab Sukan Sunway's (KSS) activities.

Let's Unwind, was the theme of the evening. Guests were invited to unwind after a hard day's work, to a string of hilarious acts!

First, it was Kumar and his gang who were specially flown in from Singapore. Kumar tickled his guests with his "18-PL-TV Classification" jokes.

Showtime was Leonard Tan who cleverly impersonated various singers such as Elvis Presley and Pavrotti. Leonard was also in the mood to tease his guests with his "newly developed" sense of humour.

Later in the evening, the SungeiWay Group on behalf of KSS, presented a total of RM88,000 to 16 charity homes and 3 individuals. The fund was raised by the Club throughout 1995, by means of selling pewter keychains.

A token was also presented to Sunway College who raised the most funds.

As a tribute to the winners of the KSS Karaoke winners for 1995, they were invited to each present a song. Champion, Mr Gerald Graham, Norfaiz Mohd Sabari and Casey Chew did the honour.

It was an enjoyable evening with our business associates, away from business talk!

Sheeba with its caregiver!

SHEEBA THE FELINE

It took about 3 months to discuss and finalise the transfer of Sheeba to Sunway Lagoon Theme Park.

A lot of effort was put into the designing of the

enclosure, special caging and landscaping with the help of volunteers from the Theme Park.

Sheeba, the tiger, is of Bengal/Siberian breed, weighing 180 kg. The 36-month old Sheeba's body length is 1850 mm, with a height of 838 mm.

The Siberian Tiger is the largest cat in the world. They have very highly developed eyesight for night vision and excellent hearing.

Being a solitary animal, they are seldom seen together. Their distinctive coat marking are stunning which makes them very illusive. Sadly, they have been hunted to near extinction.

This beautiful creature is now residing in its 'kingdom' at the Sunway Lagoon Theme Park and shall be greeting visitors to the Park.

SUNWAY THEME PARK'S FAMILY DAY AT BUKIT CAHAYA

Where else could one find a Family Day filled with lots of fun, laughter and entertainment? No other than the experts whose primary goal is to sell fun and entertainment - Sunway Lagoon of course.

On 13th January, about 400 people, comprising staff and their family members gathered amidst a pristine tropical jungle, to celebrate their Family Day.

The ambience of the serene, quiet locality was soon transformed with the sound of throbbing upbeat music, games and contests for everyone. Of course, our talented inhouse entertainer, Manja and DJ, Ernie were at the helm to make sure that everyone has got lots of fun! There were also lots of prizes for lucky draw.

"The event ended at about 3.30 pm but the memory will linger, I'm sure!"

MENTARI BUSINESS PARK

~ A Choice Business Address ~

Coming up soon within the thriving township of Bandar Sunway is the choice business address - Mentari Business Park.

Together with Mentari Plaza, the location is currently well-served by major roadways, and access will later be enhanced by the Shah Alam (currently under construction), the proposed New Pantai Expressway, the North-South Central Link and the Damansara-Puchong-Putra Jaya Expressway. To maximise its convenience to users, Jalan PJS8/1 - the main road leading to Mentari Business Park from the Federal Highway, will be expanded from four to six lanes.

Mentari Business Park combines the best aspects of shopoffices and high-rise office buildings. Ground floors are well-suited for a wide array of shops while the upper levels are meant for offices.

Ideal for occupants involved in retail, distribution or professional business.

Together, there will be three 7 to 8 storey blocks with a total of 208 units. Sizes ranges from 19' x 75' to 21' x 75' for typical offices with built-up area from approximately 1,184 sq ft onwards.

With so much to offer, Mentari Business Park is poised to become a coveted business address in Petaling Jaya.

Look out for the launch expected end of May 1996!
