Sunway Carnival is a family shopping and entertainment centre covering more than 1 million square feet of total

built-up area. Situated at Pusatbandar Bandar Seberang Jaya (PBSJ) on the mainland side of Penang state, it is going to be one of the largest shopping complexes in the northern region of Peninsula Malaysia when completed.

Parkson Corporation will be the

anchor tenant, operating under the name, X'tra Supercentre.

With its fun mall leisure concept, Sunway Carnival also comprises a 36-lane bowling alley, a food court, an amusement park, a 5-screen cineplex, ample parking space, a multi-purpose hall, promotion areas and some 360 retail lots which will provide an excellent retail mix.

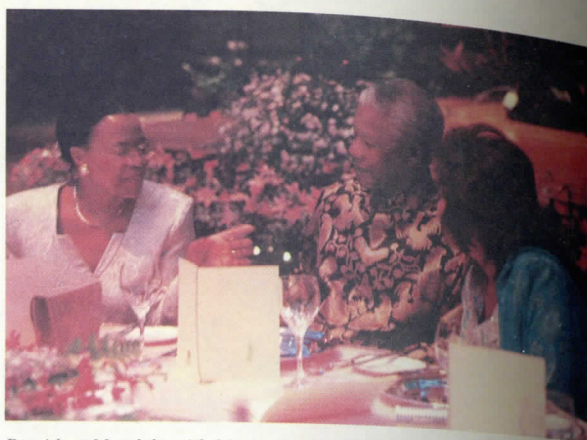

In his welcoming speech, SungeiWay Group President, Tan Sri Dato' Seri Dr Jeffrey Cheah said, PBSJ came into being when Sunway City Berhad formed a partnership with the Penang Development Corporation (PDC) to develop the RM1 billion integrated commercial centre which would function as the new commercial hub of the northern region of Peninsula Malaysia.

Among dignitaries who were present to grace the occasion were YB Dato' Kee Phaik Cheen, Penang State Executive Councillor for Tourism, Culture, the Arts and Women's Development and Encik Roslan bin Ibrahim, the Deputy General Manager of PDC.

It was the last weekend of the Kongs Raya school holidays and things were beginning to wind down. On Saturday, 15th February though, we had a very distinguished visitor to the Park - YAB Datin Seri Dr Siti Hasmah Mohd Ali, the Prime Minister's wife and her two younger children.

They were accompanied by our President, Tan Sri Dato' Seri Dr Jeffrey Cheah and staff of the Sunway Lagoon. The children enjoyed the rides at the Fort Lagoon Wild Wild West and Adventure Park, and not forgetting Asia's first triple-looper Roller Coaster. They also had a glimpse of Sheeba, our Siberian tiger and his two new mates, who are both female Bengal tigers.

On Thursday, 20th February, Duli Yang Maha Mulia, the Sultanah of Pahang, Tuanku Hajjah Khalsom together with her son, relatives and some friends, visited the Park and enjoyed the rides mainly at the Fort Lagoon Wild Wild West and Adventure Park.

We hosted lunch for the group before taking them on a guided tour of the Theme Park. The group was briefed on the history, current plus future

development of the Park and the whole Sunway Lagoon Resort development.

As there was some extra time after the tour, some members of the Group braved the Grand Canyon River Rapids and also the Niagara Falls Flume Ride. Even though they got soaked, they enjoyed themselves thoroughly.

Sunway Lagoon Muhibbah Nite '97

After the many months of hard work, the 300 Sunway Lagoon staff were rewarded with an Annual Dinner held at our very own Sunway Lagoon Resort Hotel.

The theme of the evening was 'Muhibbah', thus in the great tradition of Sunway Lagoon staff, a majority of the staff came dressed to kill in various spectacular traditional outfits. This made the decision of the judges of the Best Dressed Female and Best Dressed Male competition very difficult. However, at the end of the day, there had to be a winner who walked away with a cash prize of RM500 in each of the categories. The winners for the evening were Sonia Oi (Marketing Department) - Female Category and Goh Sook Min (F & B) - Male Category, who both wore dazzling traditional Indian outfits.

Our winners for the Male and Female Best Dressed Award, Ms Sonia Ooi and Mr Goh Sook Min.

The Baba & Nyonya team, comprising Kenny & Fern entertained the staff with their well-known jokes and antics. Professionals they may be, but the spectacular performance by the Sunway Lagoon staff which were a series of dances done with lip sync ranging from Bobby Brown to the legendary Tan Sri P. Ramlee, was no doubt the highlight of the evening.

Amongst those who graced the evening were Tan Sri Dato' Seri Dr Jeffrey Cheah, Puan Sri and other Exco members.

SUNGEIWAY GROUP

'Elvis Presley' serenading Tan Sri Dato' Seri Dr Jeffrey Cheah, YB Dato' Seri Dr Lim Keng Yaik and his wife

Sunway Lagoon Resort Hotel, the much talked-about, much awaited resort Hotel within resort township, was at last ready to house the 1997 SungeiWay Group Annual Dinner & Dance.

On 25th January, staff and guests of the Group were dined and entertained in the grandeur of its Grand Lagoon Ballroom.

Themed "Fashionable Nite", guests were spotted in colourful, kinky, sophisticated, outrageous and simply a myriad of fashionable outfits.

During dinner, the 1,700 guests were serenaded by Elvis Presley, or....well, his impersonator, David Cazalet and his troupe of gorgeous dancers. It was a nostalgic one hour journey down memory lane, back to the 60s.

The following stand-up comedy act by Indi Nadarajah and Allan Perera, immediately

Maria Cordero doing a dance act with some of our very sporting colleagues

swinged us into a hilarious mood. The duo made us see the funny side of our political parties, culture, laws and anything under the sun, while they mocked the "culture" of getting drunk!

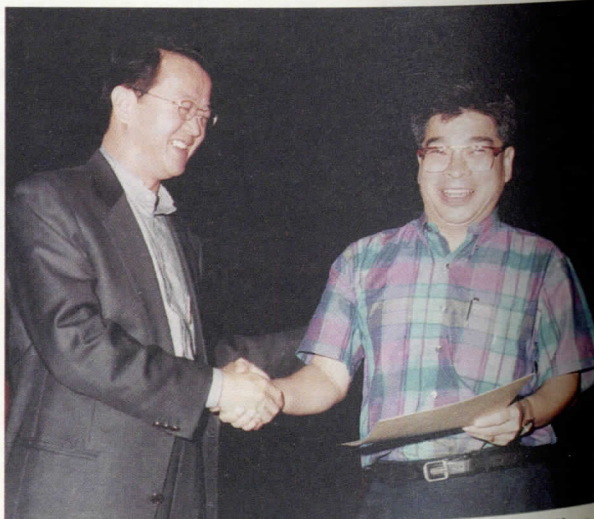

Showtime featured Maria Cordero, the bubbly singer-cum-actress from Hong Kong. Her rich voice immediately captured the audience and her easy rapport with the audience never left any moment dull.

The evening was also spiced with a best-dressed parade and a 20-year long service award for pioneer staff of the Group.

Guests-of-honour, YB Dato' Seri Dr Lim Keng Yaik, Minister of Primary Industry and his wife graced the occasion.

The President of the SungeiWay Group, Tan Sri Dato' Seri Dr Jeffrey Cheah in his speech, attributed the successful expansion and profits of the Group, to the commitment, loyalty and tireless efforts of all staff.

He also paid tribute to our Prime Minister, YAB Dato' Seri Dr Mahathir Mohamad, for his far-sighted vision which had been an excellent guide to both the private and public sectors.

Tan Sri highlighted some of the Group's significant achievements. Among them were the listing of Sunway City Berhad on the KLSE; the signing of an Agreement with the Government of Cambodia, to develop a 1,100 acres piece of land adjacent to Phnom Penh; the signing of an Agreement with the Government of Zimbabwe, to develop 4,000 acres of land in Harare into an integrated industrial park; the Theme Park introduced the first triple-loop roller coaster ride in Asia; the award of two highway toll concessionaire from the Government - one is for the Kajang Ring Road and the other is for the Jalan Kuching dispersal toll road; last but not least, the opening of Sunway Lagoon Resort Hotel.

Man's Years

God created the donkey and told him : you will work tireless from sun up to sun down, carrying heavy bags on your back, you'll eat grass, you will not have intelligence and you will live 50 years. You will be a **DONKEY!**

The donkey answered : I'll be a donkey, but living 50 years is too much, give me only 20 years. And God gave him 20 years.

God created the dog and told him: You will look after the men house, you will be his best friend, you will eat whatever they give you and you will live 25 years. You will be a **DOG!**

The dog answered: God, living 20 years is too much, give me only 10 years. God gave him 10 years.

God created the monkey and told him: You will jump from branch to branch, you will do silly things, you will be amusing and you will live 20 years.

The monkey answered: God, living 20 years is too much, give me only 10 years. And God agreed.

Finally, God created man, and told him : You will be Man, the only rational being on earth, you will use your intelligence to control other animals, you will dominate the world and you will live for 20 years.

The man answered : God, I'll be man, but living 20 years is not enough, why don't you give me the 30 years that the donkey refused, the 20 years that the dog did not want and the 10 years that the monkey refused.

That was what God did, and since then, Man live 20 years like a man, then he enters adulthood and spends 30 years like a donkey, working and carrying the load on his back, then when his children leave home, spends 15 years like a dog, looking after the house and eating whatever is given to him, then he gets into retirement, and spends 10 years like a monkey, jumping from house to house or from children to children, doing silly things to amuse the grandchildren.
